WYCOMBE Wanderers play their first match in the Rothmans Isthmian League Subsidiary Cup tomorrow (Wednesday) when they travel to Oxford City.

The Blues, one of the strongest teams in this competition for Division One and Two clubs, have struggled in both their league meetings with City this season. They were held to a goalless draw at home and then drew 1-1 at the White House ground.

Oxford have returned some mixed results since the new year, beating Barking and holding Walthamstow to a 0-0 draw away from home. City, however, have the unenviable record of providing Clapton with their only two victories this season. At least Clapton, doomed for Division Two next season, will be able to say they recorded one double during the season.

City's most recent game was a 2-0 reverse at Ilford. This was a fair result, in fact, because Ox-

ford had to call in schoolboy Chris Rose to take over the goalkeeping duties from Peter Harris, who broke his nose in training. Rose may well continue against Wanderers.

Jack Woodley is the club's top goalscorer and he has moved up front recently from his centre back position.

Wanderers may bring in the consistent Peter Spittle in goal while Bruce Macrae seems likely to continue up front after his en-

couraging performance at Sutton on Saturday.

The winners of this tie meet either Boreham Wood or Horsham at home in the next round and then either Walton and Hersham or Chesham, or Woking or Hayes in the third round.

Wycombe have re-arranged their league game at home to Walthamstow Avenue. The match will now be played on Good Friday, April 16 (3 p.m.) instead of Saturday, April 17.
